

“ClickBank Videos”

ClickBank is a well known and widely used online retailer of digital products. According to their own website:

“ClickBank is the Internet's largest digital marketplace, where thousands of the web's most popular products are sold every day. Whether you're looking to buy, sell, or promote digital products, ClickBank is for you.”

As a business person, you may choose to promote other people's products as a ClickBank affiliate. Alternatively, or in addition, you may choose to publish and sell your own products through the ClickBank Marketplace.

You may sign up at <http://allcashnow.reseller.hop.clickbank.net>

To become an affiliate click on the “Promote Products” tab. To become a publisher click on the “Sell Products” tab.

As an affiliate you will also be able to promote ClickBank itself to potential publishers, with a link similar to the one above.
